PART TWO.

TUESDAY, APRIL 21, 1903. SALT LAKE CITY, UTAH.

FIFTY-THIRD YEAR.

WM. J. BRYAN ON DEMOCRACY

Makes a Bitter Assault Upon
Grover Cleveland.

HE BELIEVES IN HARMONY.

Party Won a Great Victory in 1892,
But It Was Betrayed by Ex-President—
Put Burden on Bryan.

Kansas City, Mo., April 21.—William J. Bryan, speaking this morning to the crowd, "Democracy," at the banquet given by the Democratic Jackson County club and the newspapermen of Missouri complimentary to William J. Bryan, at which the addresses did not begin until late after midnight, bitterly arraigned Grover Cleveland and his supporters who are making the plea for harmony among Democrats. The assembly was made up of representative Missouri Democrats and the remarks of Mr. Bryan met with enthusiastic favor from his hearers. He said in part:

"What we need in this nation is moral courage among men. We need moral courage more than ability, and we need the kind of moral courage that will fight for honest Democratic principles. We need the kind of moral courage that will fight for honest Democratic principles. We need the kind of moral courage that will fight for honest Democratic principles."

Letters of regret from Richard Olney, Senator Gorman, Senator Carmack, W. J. Hearst, Tom Johnson, Edward M. Clark, D. B. Hill, Senators Daniel, Clark of Arkansas, and Bailey were read.

The letters of Johnson and Hearst raised a tumult of applause.

THAT SQUADRON INCIDENT.
Berlin Post Makes Effort to Allay Ill Feeling.

New York, April 21.—A semi-official communication to the Berlin Post seeks to remove some of the ill-feeling which the visit of the American squadron to Marselles has caused after the alleged invitation to the squadron to visit Kiel had been declined, cables the Tribune's London representative. The Post says it is difficult to understand why so much fuss has been made about the visit to Marselles. The American squadron stationed permanently in the Mediterranean was only fulfilling an act of international courtesy when it recently visited Marselles. Had Germany been so concerned about the visit to Marselles, it would without doubt have been dispatched to greet President Loubet and take part in the international marine parade.

Accident to an Aeronaut.
Chicago, April 21.—A dispatch to the Tribune from Houston, Tex., says:

Prof. Leroy Fewer, an aeronaut, has met with a successful ascension of 3,000 feet in the air and cut loose with his parachute in good time. While attempting to shift the course of the parachute on its downward flight one of the ropes snapped, almost reversing it and causing the balloonist to lose his hold when within 150 feet of the ground, and the man fell, turning over and over in the descent. He struck in the power house at the New York navy yard, is off as a result of the announcement that the strike in the home works of the company has been settled.

Warships Short of Coal.
Honolulu, April 21.—(By Pacific cable.)—The coal strike in British Columbia is responsible for the non-arrival of a shipment of 1,500 tons of coal for the use of British warships stationed here. H. M. S. Amphitrite has appealed to local naval station to give her a priority trip to Hongkong, to receive the coal.

TORNADO IN KANSAS.
Destroyed Much Property and Injured Five People.

Topoka, Kas., April 20.—Word has just reached here of a tornado at St. Paul, Neosho county, Saturday night, which destroyed a great amount of property and injured five people, four of whom cannot recover. Mrs. David Chamberlain and three members of a German family named Longham will die, it is thought. David Chamberlain has bruises of a severe character, while the other persons sustained minor injuries.

worship of money, and nothing but the ideals of Jefferson will ever lift us out of the slough of despond. The Democratic party is not the enemy of honestly acquired wealth. I have heard it said that Democrats believe that a man can not have money and be honest. I deny that as being false. A man can have money and be a Democrat, but if he is not a Democrat, he has to be a Republican. Jefferson believed that money should be subservient to the man, and Jefferson was an educated man. There are people today who think that the educated man should be separated from the common rabble. Jefferson believed that the man who was too good to take part in politics was not good enough to live in a land like this. Jefferson did not create the principles of the Democratic party; they existed long before Jefferson lived. He simply put the principles into living form. There never was a time when the people were more ready to accept Democratic principles than today. We must appeal to the conscience of the people. Three remedies for existing evils have been suggested to me. First, an appeal to conscience of the people; second, by legislation; and third, by revolution. But revolution is not to be thought of. Revolution is not a remedy in a country where people can vote. People can vote themselves free in this country and if they could not do that, they could not fight themselves free. Jefferson stood for the people and their interests and Hamilton believed that the president and the senate should be elected for life or during good behavior. The Republican party today is forming not Jefferson clubs, but Hamilton clubs.

"Never swerve in your loyalty to Democratic principles. I would not give one Democrat who really believes in Democratic principles for a whole barnyard full of trimmers and compromisers who pretend to be Democrats."

New York, April 21.—The rumor that Gen. Butler would be appointed as field marshal is not credited even by his friends in the military clubs, says the London representative of the Tribune.
